We are now booking local, regional, and national artists for performances for this year's A-Dog Day. Many of our performers donate their time, others need transportation and lodging covered. Because we are a non-profit and this is our flagship fund-raising day, we strive to keep our costs down. This enables us to put funds raised back into our free arts programming for youth in underserved populations. To make this possible, we must raise sponsorship dollars to get this done and off-set costs. Please let us know if you are interested to be a part of this year's celebration and we can discuss next steps in more detail. Thanks so much and we look forward to hearing from you.
